September 16, 2002

Dear Mona,

I want to confirm our appreciation of our collaboration with you on multiple occasions, specifically concerning:

- Consulting
- Presentations

We firmly believe in your skills and capabilities within topics related to learning and training, specifically e-learning in higher education and use of e-learning in corporations.

We appreciate the results you have provided us with and hope to be able to utilize your resources in the future.

Best regards

Kristian Folkman  
Project manager  
Research and Educational Network ( REN )
